

**CITY OF LAGUNA HILLS
MEMBER OF THE CITY COUNCIL**

L. ALLAN SONGSTAD, JR.

AGE: 58

OCCUPATION: Incumbent/Attorney

During my years on the Council (three as Mayor), the City has developed an effective, efficient City government. During my last term, the following was accomplished:

The Community Center and Sports Complex was completed providing recreational and educational opportunities for our community.

The threat of a commercial airport at MCAS El Toro has been eliminated. During this struggle I served two years as Vice Chair and two years as Chairman of the El Toro Reuse Planning Authority and was a major participant in drafting and passing Measure W, a major victory for the non-aviation use of El Toro.

The City acquired and renovated an existing building for its City Hall. Seventy percent of the building will be leased out to provide revenue for the City.

The City still faces many challenges, including the State's fiscal crisis. I have been appointed to the Executive Steering Committee for the Orange County League of Cities which has an important role in securing revenues for local government. If re-elected, I will continue to work to protect the City's revenues and to protect the quality of life for all citizens of Laguna Hills.
